AMA Speedway National Best Pairs Race Format:

Competition for individual riders: 7 teams compete in five rounds of competition, meeting each opposing team one time. The top two teams on points compete in a sudden death final to decide the championship.

All heats will be run with a maximum of 4 riders over 4 laps.

Heats 1-21 Score 3,2,1,0. Non-finish = 0.

Final Score 4,3,2,0.

Points do not carry to Sudden Death final. It is the result of this heat that determines the event winner.

The team with the most points scored in the final wins the championship. Points from heats do not carry to the final. High scoring team from the heats has gate choices (1 & 3 or 2 & 4) for Final.

Teams entered will draw for a position. Teams may choose which rider takes which gate in from their allocated gates in each race.

Tie Breakers:

In the event of two teams being tied in the final classification of points, tiebreakers are as follows;

- 1. Number of bonus points**

2. Number of heat winners
3. Number of second places
4. Number of third places
5. Number of finishes fourth places
6. Number of non-finishing 4th places
7. Head to head results between tied teams (A 3-3 is determined the team finishing 2nd & 3rd beats 1st and 2nd).

In the event the competition does not complete all races due to weather or other logistical matters, a result can be declared upon the conclusion of Heat 14 or Heat 21. For example, if the event were abandoned after 16 races, the result would be determined upon completion of Heat 14, where all riders had completed 4 rounds.

In the event of an injury or withdrawal during the event, a reserve rider from the published list can be drafted in. In event all reserves have been used, any other rider registered at the track that day from the Division Two program can be drafted in. In event of a team withdrawal, the named reserves would ride as a team for the rest of the program.

Prize Money.

Prize money for final finishing positions. Money is split between teammates based off individual points they score (including bonus points).

Example.

1. The second-place team make \$800.
2. Rider A scores 12 points, ride B scores 7+1.
3. That makes 20 points for the team.
4. We divide \$800 by the 20 points and that gives \$40 per rider per point.
5. Rider A is paid $12 \times 40 = \$480$. Rider B is paid $8 \times 40 = \$320$.

1st	\$1,300
2nd	\$800.00
3rd	\$600.00
4th	\$380.00
5th	\$250.00
6th	\$120.00
7th	\$50
