PAIRS KEY RULES: All races score 4,3,2,0. All riders from seeded Group A and Top 2 from B/C to Quarter Finals. Quarter Finals, Semi Finals and Finals are single race elimination heats, earlier scores do not carry, winning team transfers, losing team eliminated. Gate choice in semis / finals based on total points scored in all races so far. Winner of Final is Champion. Jump start = warning first time, subsequent = 20 yard penalty. Tape touching = 20 yard penalty, tape breaking = exclusion. Riders exceeding track limits without being impeded on back straight: Heats, 1st offense = penalty of one position, subsequent offense = exclusion. Quarter Finals, Semis and Finals, any rider exceeding track limits without being impeded = exclusion unless deemed first lap bunching. Referee (assisted by line judge) has final decision on all penalties. Countback rules are on supplementary regulations (head to head encounters is first tie breaker). Full rules in Supplementary Regulations (posted on pit board)
